
Title: Contract of Research

Author: Teris Menolas

The following is the set of rules and conditions of which I, Teris Menolas, will submit upon myself and the Council of Moonglow for the purpose of general benefit through research and education. I, Teris menolas, agree to submit all my findings and research done within Moonglow to the Town council first most and utmost before any others. So, the Council may gain first benefit and make decision of discretions about said research.

In exchange, the Council will agree to help aid with my research in all ways that follow both the Council's laws, and its standards. Upon the agreement, I Teris Menolas will agree only to grant the benefits of my research and teaching to the City and Council of Moonglow without first obtaining the Council's permission to do otherwise. Finally the Council will agree to always grant me full credit and rights to keep my findings as long as I do not betray this contract.
